ATTORNEY GENERAL OF TEXAS

December 14, 2015

Ms. Kristie L. Lewis
Staff Attorney
City of Houston Police Department
1200 Travis
Houston, Texas 77002-6000

OR2015-26276

Dear Ms. Lewis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 596720 (ORU No. 15-7299).

The Houston Police Department (the "department") received a request for information pertaining to the death of a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a department officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

we note the submitted information includes a custodial death report. Article 49.18(b) of the Code of Criminal Procedure provides that with the exception of any portion of the custodial death report the Office of the Attorney General (“OAG”) determines is privileged, the OAG shall make the report public. *See* Crim. Proc. Code art. 49.18(b). The format of the report was revised in May 2006 and now consists of four pages and an attached summary of how the death occurred. The OAG has determined the four-page report and summary must be released to the public but any other documents submitted with the revised report are confidential under article 49.18(b). Although the department claims the submitted custodial death report is excepted from disclosure under section 552.134 of the Government Code, the exceptions to disclosure found in the Act do not generally apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the department must release the submitted custodial death report pursuant to article 49.18(b) of the Code of Criminal Procedure.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(e). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public

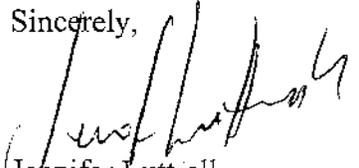

by *Houston Chronicle*). Thus, with the exception of basic information, which must be released, you may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department need not release the submitted body camera recordings at issue in response to this request for information. The department must release the submitted custodial death report pursuant to article 49.18(b) of the Code of Criminal Procedure. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
