December 16, 2015

Ms. Yahitza Nunez
Assistant District Attorney - Civil Division
Hays County Criminal District Attorney's Office
712 South Stagecoach Trail, Suite 2057
San Marcos, Texas 78666

OR2015-26411

Dear Ms. Nunez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 590937 (Ref. No. 15-0610).

The Hays County Criminal District Attorney's Office (the "district attorney's office") received a request for all information within the file for a specified case. The district attorney's office claims the submitted information is excepted from disclosure under sections 552.101 and 552.111 of the Government Code. We have considered the exceptions the district attorney's office claims and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under [chapter 261 of the Family Code] and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under [chapter 261 of the Family Code] or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged or suspected child abuse; thus, this information falls within the scope of section 261.201 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201 as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1) (defining “abuse” for purposes of chapter 261 of the Family Code). As the district attorney’s office does not indicate it has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, and based on our review, we determine the submitted information is confidential pursuant to section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). Therefore, the district attorney’s office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

²As our ruling is dispositive, we need not address the district attorney’s office’s remaining arguments against disclosure.
