Dear Ms. McCarthy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 593338 (HCAD Ref. No. 15-3963).

The Harris County Appraisal District (the "district") received a request for the rendition statement for a specified account. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 22.27 of the Tax Code, which provides the following:

- (a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property provides to the appraisal office in connection with the appraisal of the property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information

they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). We understand the district is an “appraisal office” for purposes of section 22.27(a). You represent the submitted information was furnished to the district by the property owner in connection with the appraisal of the owner’s property and was obtained under the promise of confidentiality. You state none of the exceptions in section 22.27(b) apply in this instance. *See id.* § 22.27(b). Based on your representations and our review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 22.27(a) of the Tax Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
