Re: Request for any and all records generated or obtained in connection with the investigation of an accident that occurred on 06/25/15 at Knickerbocker Rd. and Creekside and that involved named individuals; (SAPD Case #2015-0008234)

Dear Ms. James:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 599450.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the submitted information may be withheld from public disclosure pursuant to section 552.108(a)(1) of the Government Code on behalf of the Department of Public Safety, a law enforcement agency with a law enforcement interest. Further, you inform this office the Department of Public Safety objects to the disclosure of the information because it relates to an ongoing criminal case and release would interfere with the case. Thus, we conclude you may withhold the submitted information pursuant to section 552.108(a)(1). However, you must release the basic information pursuant to section 552.108(c) of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
