ATTORNEY GENERAL OF TEXAS

January 5, 2016

Mr. Terry D. Kelley
General Manager
Johnson County Special Utility District
P.O. Box 509
Cleburne, Texas 76033-0509

OR2016-00161

Dear Mr. Kelley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 592836.

The Johnson County Special Utility District (the "district") received a request for a list containing the addresses of residential properties where the water service had been disconnected for specified periods of time in three specified locations. We understand you to claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim.

We must address the district's procedural obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). The district received the request for information on October 15, 2015. However, as of the date of this letter, the district has not submitted for our review written comments stating the reasons why the stated exception applies or a copy or representative sample of the information requested. Consequently, we find the district failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. Open Records Decision No. 150 at 2 (1977). Although the district raises section 552.101 of the Government Code, which is a mandatory exception to disclosure, because the district has not submitted the requested information for our review, we have no basis for finding any of the information is excepted from disclosure or confidential by law. Thus, we have no choice but to order the district to release the requested information pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Paige Lay
