Office of General Counsel
Texas Department of Public Safety
P.O. Box 4087

OR2016-00256

Dear Ms. Hinesley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 593589 (PIR# 15-5373)

The Texas Department of Public Safety (the "department") received a request for a dashboard camera video and North Texas Tollway Authority ("NTTA") video pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted any NTTA video pertaining to the specified incident. Thus, to the extent such information existed and was maintained by the department on the date the department received the request for information, we presume the department has released it. If not, the department must do so at this time. *See* Gov't Code §§ 552.301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to the requested information, it must release the information as soon as possible).

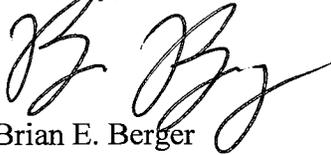

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection,

investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). You state the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Brian E. Berger
