

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 13, 2016

Ms. Melanie Barton
Assistant District Attorney
Dallas County District Attorney's Office
411 Elm Street, 5th Floor
Dallas, Texas 75202

OR2016-01063

Dear Ms. Barton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594137.

Dallas County (the "county") received two requests for all information related to youth recruitment allegations. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

We note some of the submitted information, which we have marked, is subject to section 552.022 of the Government Code. Section 552.022(a)(17) provides for the required public disclosure of "information that is also contained in a public court record[.]" unless it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). Although you assert this information is excepted from disclosure under section 552.103 of the Government Code, this section is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4

¹This letter ruling assumes that the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize, the withholding of any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived), 177 at 3 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the county may not withhold the information subject to section 552.022 under section 552.103. As you raise no other exceptions for the information at issue, it must be released.

Section 552.103 of the Government Code provides, in relevant part, the following:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body claiming section 552.103 has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is showing (1) litigation is pending or reasonably anticipated on the date the governmental body received the request, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, prior to the county's receipt of the request, a lawsuit against the county styled *Estate of Causey v. Miles*, Cause No. 3:15-cv-914, was filed in the United States District Court for the Northern District of Texas. Additionally, you state the litigation was pending on the date the county received the present request. You further, and we agree, the remaining information is related to the pending litigation because it pertains to the claims in the lawsuits. Upon review, we find the remaining information relates to litigation that was pending when the county received the request for information. Accordingly, the county may withhold the remaining information under section 552.103 of the Government Code.

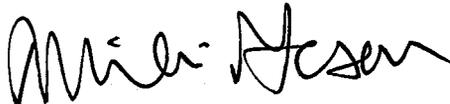

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the county must release the information we have marked under section 552.022(a)(17) of the Government Code. The remaining information may be withheld under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
