

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 22, 2016

Mr. Ricardo R. Lopez
Counsel for the South San Antonio Independent School District
Schulman, Lopez, Hoffer & Adelstein, L.L.P.

San Antonio, Texas 78205-1508

OR2016-01632

Dear Mr. Lopez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 594853.

The South San Antonio Independent School District (the "district"), which you represent, received a request for information related to a named district employee, including a specified reprimand. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you have not submitted the specified reprimand. To the extent any information responsive to this aspect of the request existed on the date the district received the request, we assume the district has released it. If the district has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). The

Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You contend the submitted information should be withheld under section 21.355. You state the teacher at issue was required and did hold a teaching certificate and was teaching at the time the information was created. Upon review, however, we find you have failed to demonstrate the submitted information evaluates the performance of a teacher for purposes of section 21.355. Accordingly, the district may not withhold the information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.116 of the Government Code provides,

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) “Audit” means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You contend the submitted information consists of audit working papers subject to section 552.116. You assert the submitted information is part of an investigation by the district. However, you do not inform this office, and we are not aware, of an authorization for any audit. Thus, upon review, we find you have not demonstrated the submitted information was prepared or is maintained in relation to an audit authorized or required by any of the laws or authorities specified in section 552.116(b)(1) or in conducting an audit or preparing an audit report within the meaning of section 552.116(b)(2). *See id.* § 552.116(b); *see also* Open Records Decision No. 580 (1990) (addressing statutory predecessor to Gov't Code § 552.116). Accordingly, we conclude the district may not withhold the submitted information under section 552.116 of the Government Code.

Some of the submitted information may be subject to section 552.117 of the Government Code.¹ Section 552.117(a)(1) excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov't Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, "A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee's or former employee's social security number." *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may only be withheld under section 552.117(a)(1) on behalf of a current or former employee who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, to the extent the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have

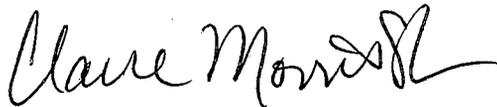

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the information we marked under section 552.117(a)(1). The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
