Dear Ms. Mares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 596008 (ORR# 15-017679).

The City of McKinney (the "city"), which you represent, received a request for dash camera and officer video recordings related to case number 15-009683. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. You assert the submitted video recordings contain motor vehicle record information that is excepted from disclosure under section 552.130. Upon review, we agree the submitted video recordings contain confidential motor vehicle record information. In this instance, you state the city does not possess the technological capability to redact information from video files. Thus, we agree the city must withhold the entire video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
