ATTORNEY GENERAL OF TEXAS

July 8, 2016

Mr. Jeffrey C. Monk
Administration Manager
Houston Police Department
1200 Travis
Houston, Texas 77002-6000

OR2016-01808A

Dear Mr. Monk:

Our office issued Open Records Letter No. 2016-01808 (2016) on January 25, 2016. We have determined the prior ruling should be corrected. *See* Gov't Code §§ 552.306, .352. Accordingly, we hereby withdraw the prior ruling. This decision is substituted for Open Records Letter No. 2016-01808 and serves as the correct ruling. *See generally id.* § 552.011 (providing Office of the Attorney General may issue a decision to maintain uniformity in application, operation, and interpretation of Act).

The Houston Police Department (the "department") received a request for a specified report and a copy of the related dash cam video recording. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, article 2.139 of the Code of Criminal Procedure, as added by House Bill 3791 by the 84th Texas Legislature,¹ provides:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

(1) the stop;

¹Act of May 30, 2015, 84th Leg., R.S., ch. 1124, § 1 (codified at Crim. Proc. Code art. 2.139).

- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person's breath or blood is taken.

Crim. Proc. Code art. 2.139. The submitted video recording was made by or at the direction of an officer employed by the department and contains footage of the requestor being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 (“A person commits an offense if the person is intoxicated while operating a motor vehicle in a public place.”). Therefore, the requestor is entitled to receive a copy of this video recording pursuant to article 2.139. Although you seek to withhold the recording under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the recording may not be withheld under section 552.108 of the Government Code. Thus, the requestor is entitled to receive a copy of the video recording at issue pursuant to article 2.139 of the Code of Criminal Procedure.

Next, we note the submitted information includes the breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that “[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney.” Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. Although you claim the information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Therefore, the department must release the intoxilyzer results, which we have marked, pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the information at issue concerns a concluded investigation that did not result in a conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing the types of information considered to be basic information). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the department must release a copy of the video recording to this requestor pursuant to article 2.139 of the Code of Criminal Procedure. The department must release the intoxilyzer results we have marked pursuant to section 724.018 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
