

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 26, 2016

Mr. Zachary Noblitt
Assistant City Attorney
City of Dallas
1500 Marilla Street, Room 7DN
Dallas, Texas 75201

OR2016-01922

Dear Mr. Noblitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 595221.

The City of Dallas (the "city") received a request for information pertaining to a specified worker's compensation claim. You state the city will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." See Gov't Code § 552.111. This section encompasses the attorney work product privilege found in rule 192.5 of the Texas Rules of Civil Procedure. *City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 360 (Tex. 2000); Open Records Decision No. 677 at 4-8 (2002). Rule 192.5 defines work product as:

- (1) [M]aterial prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party's representatives, including

the party's attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or

(2) a communication made in anticipation of litigation or for trial between a party and the party's representatives or among a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5(a). A governmental body seeking to withhold information under this exception bears the burden of demonstrating the information was created or developed for trial or in anticipation of litigation by or for a party or a party's representative. *Id.*; ORD 677 at 6-8. In order for this office to conclude that the information was made or developed in anticipation of litigation, we must be satisfied that

a) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and b) the party resisting discovery believed in good faith that there was a substantial chance that litigation would ensue and [created or obtained the information] for the purpose of preparing for such litigation.

Nat'l Tank Co. v. Brotherton, 851 S.W.2d 193, 207 (Tex. 1993). A "substantial chance" of litigation does not mean a statistical probability, but rather "that litigation is more than merely an abstract possibility or unwarranted fear." *Id.* at 204; ORD 677 at 7.

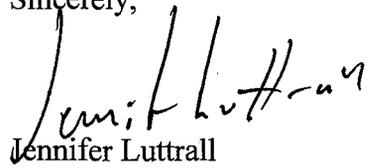

You assert the submitted information is attorney work product protected under section 552.111. You state the submitted information was created by agents of the city and provided to city attorneys in anticipation of and in preparation for litigation. You indicate the information at issue reflects the mental impressions, conclusions, and legal theories of city agents. Based on your representations and our review, we conclude the city may withhold the submitted information under the work product privilege encompassed by section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
