ATTORNEY GENERAL OF TEXAS

February 5, 2016

Ms. Claire Swann
Assistant General Counsel
North Texas Tollway Authority
5900 West Plano Parkway, Suite 100
Plano, Texas 75093

OR2016-02817

Dear Ms. Swann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 597553 (NTTA File# 2015-01934).

The North Texas Tollway Authority (the "authority") received a request for information about a specified vehicle traveling through a tolling location at a specified time. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential. The authority is governed by the Texas Regional Tollway Authority Act, chapter 366 of the Transportation Code. Section 366.179 of the Transportation Code provides in relevant part the following:

- (a) For purposes of this section, a transponder is a device placed on or within a motor vehicle that is capable of transmitting or receiving information used to assess or collect tolls or provide toll exemptions. A transponder is

insufficiently funded if there is no money in the account for which the transponder was issued.

...

(d) Transponder account information, including contact and payment information and trip data, is confidential and not subject to disclosure under [the Act].

Transp. Code § 366.179(a),(d). You inform us that, in connection with the operation of its toll projects, the authority issues transponders or “TollTags” to authority customers wishing to establish an account with the authority. You state Attachment B-1 consists of TollTag customer account information that is compiled by the authority. Based on these representations, we agree the authority must withhold Attachment B-1 under section 552.101 of the Government Code in conjunction with section 366.179(d) of the Transportation Code.

Section 552.101 of the Government Code also encompasses section 366.178 of the Transportation Code which provides in relevant part:

(b-1) As an alternative to requiring payment of a toll at the time a vehicle is driven or towed through a toll assessment facility, the authority shall use video recordings, photography, electronic data, transponders, or other tolling methods to permit the registered owner of the nonpaying vehicle to pay the toll at a later date or provide toll exemptions. Information collected under this subsection, including contact, payment, and other account information and trip data, is confidential and not subject to disclosure under [the Act].

Id. § 366.178(b-1). You inform us that as an alternative to payment of a toll at the time a vehicle is driven on the authority’s tollway, the authority permits individuals to pay a higher toll rate at a later date through the ZipCash invoicing system. You state Attachment B-2 consists of information collected by the authority pursuant to this subsection. Based on these representations, we agree Attachment B-2 is confidential under section 366.178(b-1) of the Transportation Code and must be withheld under section 552.101 of the Government Code.
