Dear Mr. Conover:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 599015.

The City of Rio Vista (the "city"), which you represent, received a request for the recording of a specified meeting. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim.

Initially, we note that the purpose of the Act is to prescribe conditions under which members of the general public can obtain information from a governmental body. *See* Attorney General Opinion JM-119 (1983) (statutory predecessor). An official of a governmental body who, in an official capacity, requests information held by the governmental body does not act as a member of the public in doing so. Thus, exceptions to public disclosure under the Act do not control the right of access of an official of a governmental body to information maintained by the governmental body. *See id.* at 3 (member of community college district board of trustees, acting in official capacity, has an inherent right of access to information maintained by district). Here, the requestor is a member of the city council. Consequently, whether the requestor in this instance has a right of access to the requested information depends on whether she is seeking the information in her official capacity. This office cannot resolve factual issues in the decisional process. *See* Open Records Decision Nos. 592 at 2 (1991), 552 at 4 (1990), 435 at 4 (1986). Where fact issues cannot be resolved as a matter of law, we must rely on the facts alleged to us by the governmental body that is

requesting our decision or on those facts that are discernible from the documents submitted for our inspection. *See* ORD 552 at 4.

It is unclear from our review whether the requestor is requesting the information in her personal capacity as a member of the public or in her official capacity as a member of the city council. Accordingly, we rule conditionally on this matter. Therefore, in the event the requestor is acting in her official capacity, we find the present request is not a request by a member of the public under the Act and we determine that the city may not withhold the requested information from the requestor pursuant to the Act's exceptions to required public disclosure. *See* Attorney General Opinion JM-119; *see also id.* JC-120 at 5 (1999) (governmental body may adopt procedure for review of certified agenda or tape recording of closed meeting, but may not absolutely prohibit review by member, even if member did not attend meeting). In the event, however, the requestor is making the present request in her personal capacity as a member of the public, we will address your claimed exception.

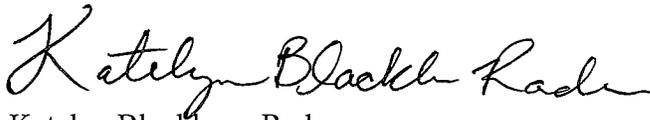

Section 552.101 of the Government Code exempts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by section 551.104 of the Open Meetings Act. Section 551.104 provides, in part, "The certified agenda or recording of a closed meeting is available for public inspection and copying only under a court order issued under Subsection (b)(3)." *Id.* § 551.104(c). We note the city is not required to submit a certified agenda or tape recording of a closed meeting to this office for review. *See* Open Records Decision No. 495 at 4 (1988) (attorney general lacks authority to review certified agendas or tapes of executive sessions to determine whether governmental body may withhold such information from disclosure under statutory predecessor to section 552.101). Thus, such information cannot be released to a member of the public in response to an open records request. *See* Attorney General Opinion JM-995 at 5-6 (1988) (public disclosure of certified agenda of closed meeting may be accomplished only under procedures provided in Open Meetings Act). Section 551.146 of the Open Meetings Act makes it a criminal offense to disclose a certified agenda or recording of a lawfully closed meeting to a member of the public. *See* Gov't Code § 551.146(a)-(b). The city states the requested information consists of a recording of a closed meeting. Thus, if the requestor is making the present request in her personal capacity as a member of the public, the city must withhold the recording of the closed meeting pursuant to section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code.

In summary, in the event the requestor is acting in her official capacity, we find the present request is not a request by a member of the public under the Act and we determine that the city may not withhold the requested information from the requestor pursuant to the Act's exceptions to required public disclosure. If, however, the requestor is making the present request in her personal capacity as a member of the public, the city must withhold the recording of the closed meeting from her pursuant to section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
