Dear Ms. Franz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 598603.

The Texas Health and Human Services Commission (the "commission") received a request for 13 categories of information pertaining to the requestor's organization.¹ You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.107, 552.111, 552.136, and 552.137 of the Government Code.² We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

¹We note the commission sought and received clarification of the information requested. *See* Gov't Code § 552.222(b) (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²Although you do not raise sections 552.136 and 552.137 of the Government Code in your brief, we understand you to claim these exceptions based on your markings in the submitted information.

³We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note the commission has redacted portions of the submitted information. You do not assert, nor does our review of the records indicate, you have been authorized to withhold this information without seeking a ruling from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001). Therefore, information must be submitted in a manner that enables this office to determine whether the information comes within the scope of an exception to disclosure. In this instance, we can discern the nature of the redacted information; thus, being deprived of this information does not inhibit our ability to make a ruling. In the future, however, the commission should refrain from redacting any information that it is not authorized to withhold in seeking an open records ruling. Failure to do so may result in the presumption the redacted information is public. *See* Gov't Code § 552.302.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information protected by other statutes, including section 531.1021 of the Government Code, which provides, in relevant part:

(g) All information and materials subpoenaed or compiled by the [commission's Office of the Inspector General ("OIG")] in connection with an audit or investigation or by the office of the attorney general in connection with a Medicaid fraud investigation are confidential and not subject to disclosure under [the Act], and not subject to disclosure, discovery, subpoena, or other means of legal compulsion for their release to anyone other than the [OIG] or the attorney general or their employees or agents involved in the audit or investigation conducted by the [OIG] or the attorney general, except that this information may be disclosed to the state auditor's office, law enforcement agencies, and other entities as permitted by other law.

(h) A person who receives information under Subsection (g) may disclose the information only in accordance with Subsection (g) and in a manner that is consistent with the authorized purpose for which the person first received the information.

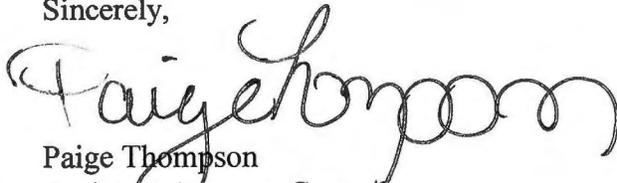

Id. § 531.1021(g), (h). You state the submitted information was compiled by the OIG in connection with an investigation concerning alleged Medicaid and other health and human services fraud and abuse. Based on your representation and our review, we find the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code.⁴

⁴As our ruling is dispositive, we need not address your remaining arguments against disclosure of the submitted information.

You ask this office to issue a previous determination permitting the commission to withhold OIG investigatory records under section 552.101 of the Government Code in conjunction with section 531.1021(g) of the Government Code without seeking a ruling from this office. *See id.* § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Paige Thompson
