Ms. LeAnn M. Quinn  
City Secretary  
City of Cedar Park  
450 Cypress Creek Road  
Cedar Park, Texas 78613

OR2016-03936

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 598717 (Ref. No. 16-162).

The City of Cedar Park (the "city") received a request for information pertaining to named individuals at a specified time, date, and location. You state you will redact motor vehicle record information under section 552.130(c) of the Government Code.<sup>1</sup> You claim some of the submitted information is subject to section 1701.661 of the Occupations Code. You also claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we agree the submitted information includes a city police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

---

<sup>1</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

The city asserts the dates of birth in the remaining information are excepted from public disclosure under section 552.101 of the Government Code in conjunction with common-law privacy. Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. In considering whether a public citizen’s date of birth is private, the Third Court of Appeals looked to the supreme court’s rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees’ dates of birth are private under section 552.102 of the Government Code because the employees’ privacy interest substantially outweighed the negligible public interest in disclosure.<sup>2</sup> *Texas Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens’ dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at \*3. Thus, the city must withhold all public citizens’ dates of birth in the remaining information under section 552.101 of the Government Code in conjunction with common-law privacy.

---

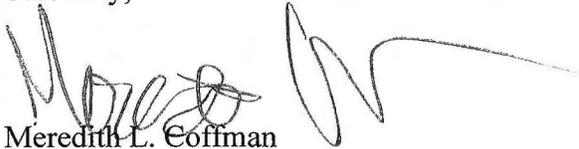

<sup>2</sup>Section 552.102(a) excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a).

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, it need not be released. The city must withhold all public citizens' dates of birth in the remaining information under section 552.101 of the Government Code in conjunction with common-law privacy. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
