Dear Mr. Brock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 599802.

The Sweeny Independent School District (the "district"), which you represent, received a request for the personnel files pertaining to named individuals, including the requestor. You state you have provided some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.102(b) of the Government Code excepts from disclosure "a transcript from an institution of higher education maintained in the personnel file of a professional public school employee[.]" Gov't Code § 552.102(b). This exception further provides, however, "the degree obtained or the curriculum on a transcript in the personnel file of the employee" are not excepted from disclosure. *Id.* Thus, with the exception of the employee's name, courses taken, and degree obtained, the district must withhold the information in Exhibit 2 pursuant to section 552.102(b) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which

provides, in part, “[a] document evaluating the performance of a teacher or administrator is confidential.” *See* Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have determined that for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Additionally, the Third Court of Appeals has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355, as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the information in Exhibit 3 consists of documents that evaluate the performance of a teacher by the district. However, upon review, we find you have not established any of the information at issue consists of “[a] document evaluating the performance of a teacher or administrator” as contemplated by section 21.355. *See* Educ. Code § 21.355(a). Accordingly, we conclude you have not established any of the information in Exhibit 3 is confidential under section 21.355 and the district may not withhold any of it under section 552.101 of the Government Code on that ground.

Section 552.101 of the Government Code also encompasses the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See* Occ. Code §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has

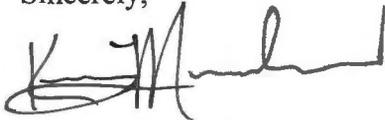

concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Upon review, we find the information in Exhibit 5 constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician and information obtained from a patient's medical records. Therefore, the district must withhold the information in Exhibit 5 under section 552.101 of the Government Code in conjunction with the MPA.

In summary, with the exception of the employee's name, courses taken, and degree obtained, the district must withhold the information in Exhibit 2 pursuant to section 552.102(b) of the Government Code. The district must withhold the information in Exhibit 5 under section 552.101 of the Government Code in conjunction with the MPA. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
