ATTORNEY GENERAL OF TEXAS

Ms. Nneka Kanu  
Assistant City Attorney  
City of Houston  
P.O. Box 368  
Houston, Texas 77001-0368

OR2016-04609

Dear Ms. Kanu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 599787 (GC No. 22891).

The City of Houston (the "city") received a request for information regarding a specified dog.<sup>1</sup> You state the city will release some information. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 826.0311 of the Health and Safety Code, which states, in relevant part:

---

<sup>1</sup>We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the registry may not include the social security number or the driver's license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). Section 826.0311 applies only to the actual pet registry; it does not apply to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection); *see also* Open Records Decision Nos. 658 at 4 (1998), 478 at 2 (1987).

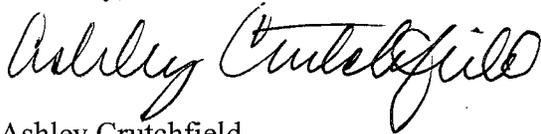

We find some of the submitted information you have marked, as well as the information we have marked, consist of personally identifying information of the owners of registered animals. You state the submitted information is maintained in a computer database registry used by the city's Bureau of Animal Regulation and Care ("BARC"). You explain BARC maintains the registry through a computer database using the Chameleon software, and you state the information at issue was pulled from the Chameleon database. However, you do not inform us whether the Chameleon software is also used to maintain other types of information in addition to the city's pet registry. Further, you do not state, and we are not able to determine, whether the information at issue was obtained directly from the city's pet registry. Accordingly, we must rule conditionally. The exceptions found in section 826.0311(b) of the Health and Safety Code do not appear to apply. Thus, if the information at issue was obtained directly from the city's pet registry, then the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 826.0311(a) of the Health and Safety Code. However, if the information was not obtained directly from the city's pet registry, then the information is not confidential under section 826.0311(a), and the city may not withhold it under section 552.101 on that basis. However, we find you have failed to establish any of the remaining information identifies or tends to identify the owner of a registered dog or cat or

consists of an address, telephone number, or other personally identifying information of the owner of a registered dog or cat for purposes of section 826.0311(a). Therefore, the city may not withhold any of the remaining information under section 552.101 in conjunction with section 826.0311(a) of the Health and Safety Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
