

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 14, 2016

Ms. Halfreda Anderson-Nelson
Senior Assistant General Counsel
Dallas Area Rapid Transit
P.O. Box 660163
Dallas, Texas 75266-0163

OR2016-05758

Dear Ms. Anderson-Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 601382 (ORR# W000411-121715).

Dallas Area Rapid Transit ("DART") received a request for all information pertaining to a named church. DART states it has made some of the requested information available to the requestor, but claims the submitted information is excepted from disclosure under sections 552.105 and 552.111 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.¹ We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.105 excepts from disclosure information relating to the following:

- (1) the location of real or personal property for a public purpose prior to public announcement of the project; or

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

- (2) appraisals or purchase price of real or personal property for a public purpose prior to the formal award of contracts for the property.

Gov't Code § 552.105. This provision is designed to protect a governmental body's planning and negotiating position with regard to particular transactions. *See* Open Records Decision Nos. 564 (1990), 357 (1982), 310 (1982). Information that is excepted from disclosure under section 552.105 that pertains to such negotiations may be excepted from disclosure so long as the transaction relating to that information is not complete. *See* ORD 310. A governmental body may withhold information that "if released, would impair or tend to impair [its] 'planning and negotiating position in regard to particular transactions.'" Open Records Decision Nos. 357 at 3, 222 (1979). The question of whether specific information, if publicly released, would impair a governmental body's planning and negotiating position with regard to particular transactions is a question of fact. Accordingly, this office will accept a governmental body's good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

DART states it has made a good-faith determination the information it has marked under section 552.105 pertains to the appraisal or purchase price of real property that DART intends to purchase. Further, DART asserts the release of this information would harm its negotiations for purchase of the property in question. Based on these representations, we conclude DART may withhold the information it has marked under section 552.105 of the Government Code.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking

functions include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third-party, including a consultant or other party with a privity of interest. *See* Open Records Decision No. 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. *See id.* at 9.

DART asserts the information it has marked under section 552.111 of the Government Code consists of draft reports that a DART consultant prepared. DART asserts this information consists of evaluation and recommendation related to the expansion of DART's light rail, which is part of DART's policy mission. Upon review, we find DART has established the deliberative process privilege is applicable to the information DART has marked under section 552.111. Therefore, DART may withhold the information it has marked under section 552.111 of the Government Code.

To conclude, DART may withhold the information it has marked under section 552.105 of the Government Code. DART may also withhold the information it has marked under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
