Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608189.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the sheriff's office must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. Additionally, you state, and we agree, the submitted video recording contains motor vehicle record information subject to section 552.130. You also state the sheriff's office lacks the technological capability to redact the motor vehicle record information from the recording. Based on this representation, we conclude the sheriff's office must withhold the recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983). The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
