

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 18, 2016

Ms. Theresa James
City Attorney
City of San Angelo
72 West College Avenue
San Angelo, Texas 76903

OR2016-06282

Dear Ms. James:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 601960.

The City of San Angelo (the "city") received a request for complaints against a specified property during a specified time period. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S. W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority. *See Open Records Decision No. 208 at 1-2 (1978)*. The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *Open Records Decision No. 279 at 1-2 (1981) (citing 8 John H. Wigmore, Evidence in Trials at Common Law, § 2374, at 767 (J. McNaughton Rev. Ed. 1961))*. The report must be of a violation of

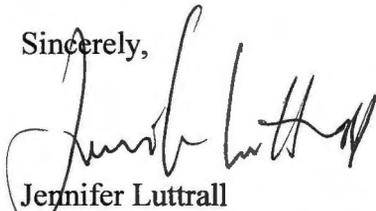

a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4 (1988). The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990).

You contend the submitted information contains the identifying information of an individual who reported potential violations of city ordinances to city code enforcement officers charged with enforcing the ordinances at issue. However, you do not inform us, and we are unable to determine, whether the alleged violations at issue carry civil or criminal penalties. Therefore, we find the city has failed to demonstrate the applicability of the common-law informer's privilege to any portion of the submitted information. Consequently, the city may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. As you have not claimed any other exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Luttrall
