Dear Ms. Hampton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 602836.

The City of Bryan (the "city") received a request for information regarding the amounts of local sales tax paid on electricity bills by local businesses. You claim the submitted information is excepted from disclosure under section 552.133 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.133 of the Government Code excepts from disclosure a public power utility's information that is "reasonably related to a competitive matter." Gov't Code § 552.133(b). Section 552.133 provides in relevant part:

activity, including commercial information, and would, if disclosed, give advantage to competitors or prospective competitors. The term:

(1) means a matter that is reasonably related to the following categories of information:

...

(F) customer billing, contract, and usage information, electric power pricing information, system load characteristics, and electric power marketing analyses and strategies[.]

Id. § 552.133(a), (a-1)(1)(F). Section 552.133(a-1)(2) provides fifteen categories of information that are not competitive matters. *Id.* § 552.133(a-1)(2). You state Bryan Texas Utilities is a public power utility subject to section 552.133. You explain the submitted information consists of customer billing information. You state the release of the submitted information would place Bryan Texas Utilities at a competitive disadvantage with its competitors. Further, you state the submitted information is not among the fifteen categories of information expressly excluded from the definition of “competitive matter” by section 552.133(a-1)(2). Based on your representations and our review, we find the submitted information relates to competitive matters as defined by section 552.133(a-1). Thus, we conclude the city must withhold the submitted information under section 552.133 of the Government Code.
