ATTORNEY GENERAL OF TEXAS

Ms. Elizabeth Contry Davidson
Bexar County Appraisal District
926 Chulie Drive
San Antonio, Texas 78216

OR2016-06916

Dear Ms. Davidson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 604206.

The Bexar County Appraisal District (the "district"), which you represent, received a request for information pertaining to a specified property. The district states it is providing some of the requested information to the requestor, but claims the submitted information is excepted from disclosure under section 552.149 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.149 of the Government Code provides, in relevant part, the following:

- (a) Information relating to real property sales prices, descriptions, characteristics, and other related information received from a private entity by the comptroller or the chief appraiser of an appraisal district under Chapter 6, Tax Code, is excepted from the requirements of [the Act].
- (b) Notwithstanding Subsection (a), the property owner or the owner's agent may, on request, obtain from the chief appraiser of the applicable appraisal district a copy of each item of information described by Section 41.461(a)(2), Tax Code, and a copy of each item of information that the chief appraiser took into consideration but does not plan to introduce at the hearing on the protest. In addition, the property owner or agent may, on request, obtain from

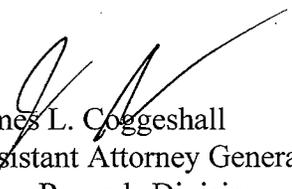

the chief appraiser comparable sales data from a reasonable number of sales that is relevant to any matter to be determined by the appraisal review board at the hearing on the property owner's protest[.]

Gov't Code § 552.149(a)-(b). Subsections 552.149(a) and (b) are limited to those counties having a population of 50,000 or more. *Id.* § 552.149(e). We understand Bexar County has a population of 50,000 or more. The district informs us the information at issue contains property sales prices and other information that the chief appraiser received from a private entity. The district also represents the information does not contain information to which the requestor has a right of access pursuant to section 552.149(b). *See id.* § 552.149(b). Based on these representations and our review, we find the district must withhold the submitted information under section 552.149(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
