Dear Ms. Riede:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 603524.

The City of Sugar Land (the "city") received a request for a specified 9-1-1 audio recording. The city released information responsive to the request but withheld some information as permitted by section 552.130 of the Government Code without requesting a decision from this office. *See* Gov't Code § 552.130(c). Pursuant to section 552.130(d), the requestor has asked this office to review the information and render a decision as to whether it is excepted from disclosure under section 552.130(a). We have considered the city's position and reviewed the information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle title or registration issued by an agency of this state or another state or country. *Id.* § 552.130(a)(2). Accordingly, the city must withhold the information you withheld under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
