

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 1, 2016

Mr. Robert Martinez
Director
Environmental Law Division
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

OR2016-07352

Dear Mr. Martinez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 603908 (TCEQ PIR No. 16-25391).

The Texas Commission on Environmental Quality (the "commission") received a request for all documents related to a specified project, all communications between the commission and a named entity, and all communications between the commission and any elected or appointed public official related to the specified project over a specified time period.¹ You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹We note the commission sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²This letter ruling assumes the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize, the withholding of any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

You inform us numerous lawsuits were consolidated into a single case styled *Denbury Onshore, LLC, et al. v. Texas Commission on Environmental Quality, et al.*, Cause No. D-1-GN-11-001898, which was pending in the 345th Judicial District Court of Travis County, Texas, at the time of the request. Therefore, we agree litigation was pending when the commission received the request. We also find the commission has established the submitted information is related to the pending litigation for purposes of section 552.103(a). Therefore, the commission may withhold the submitted information under section 552.103(a) of the Government Code.³

However, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

³As our ruling is dispositive, we need not consider your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Joseph Behnke
Assistant Attorney General
Open Records Division
