

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 4, 2016

Ms. Ashley D. Fourt
Assistant Criminal District Attorney
County of Tarrant
401 West Belknap, 9th Floor
Fort Worth, Texas 76196-0201

OR2016-07475

Dear Ms. Fourt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 604111.

The Tarrant County District Attorney's Office and the Tarrant County Sheriff's Office (collectively, the "county") received a request for all e-mails sent or received by a named individual relating to the cases involving two named individuals.¹ You claim the submitted information is excepted from disclosure under sections 552.107, 552.108, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the county has redacted portions of the submitted information. We understand the county has redacted partial e-mail addresses pursuant to Open Records

¹You state the county sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

Decision No. 684 (2009).² However, you have also redacted a private citizen's cellular telephone number from the submitted documents. You do not assert, nor does our review of the records indicate, you have been authorized to withhold this information without seeking a ruling from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001). Therefore, information must be submitted in a manner that enables this office to determine whether the information comes within the scope of an exception to disclosure. In this instance, we can discern the nature of the redacted information; thus, being deprived of this information does not inhibit our ability to make a ruling. In the future, however, the county should refrain from redacting any information it is not authorized to withhold in seeking an open records ruling. Failure to do so may result in the presumption the redacted information is public. *See* Gov't Code § 552.302.

Next, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information includes information in an account, contract, or voucher relating to the receipt or expenditure of funds by the county that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to section 552.022(a)(3) under section 552.108 of the Government Code. However, section 552.108 is discretionary in nature and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the information subject to section 552.022, which we have marked, may not be withheld under section 552.108 of the Government Code. However, because sections 552.130 and 552.136 of the Government Code make information confidential under the Act, we will consider the applicability of these

²Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain information, including an e-mail address of a member of the public subject to section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

exceptions to the information at issue.³ We will also consider your arguments against release of the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a criminal case that is pending prosecution. Based upon your representation, we conclude release of the information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the county may withhold the information not subject to section 552.022(a)(3) of the Government Code under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the county must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, “Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Accordingly, the county must withhold the partial credit card numbers we have marked under section 552.136 of the Government Code.

In summary, the county may withhold the information not subject to section 552.022(a)(3) of the Government Code under section 552.108(a)(1) of the Government Code. The county must release the information we marked pursuant to section 552.022(a)(3) of the Government Code; however, in releasing this information, the county must withhold the motor vehicle record information we marked under section 552.130 of the Government Code and the partial credit card numbers we marked under section 552.136 of the Government Code.

³The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
