Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 604302 (OGC# 166244).

The University of Texas System (the "system") received a request for all documents sent to or from certain university personnel related to specified terms.<sup>1</sup> You state the system will release some responsive information. You state the system will redact e-mail addresses under section 552.137 of the Government Code in accordance with Open Records Decision No. 684 (2009).<sup>2</sup> You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.107, 552.111, and 552.117 of the Government Code. We

<sup>1</sup>We note the system sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

<sup>2</sup>Open Records Decision No. 684 serves as a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including personal e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision. *See* ORD 684.

have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>3</sup>

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, including section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(e)(1). Section 51.971 defines a compliance program as “a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies[.]” *Id.* § 51.971(a)(1). We note the system is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the submitted information pertains to a review being conducted by the Office of Internal Compliance of the University of Texas Health Science Center at Houston (the “university”) in order to assess and ensure compliance with all applicable laws, rules, regulations, and policies. Based on your representations and our review, we agree the submitted information pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You inform this office the submitted information pertains to ongoing compliance investigations. You also represent release of the information at this time would interfere with, and potentially compromise, the investigations. Accordingly, we conclude the system must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.<sup>4</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

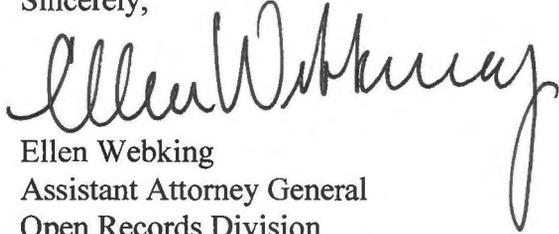

---

<sup>3</sup>We assume that the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

<sup>4</sup>As our ruling is dispositive, we need not address your remaining arguments against disclosure of the submitted information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
