Office of the City Attorney
City of Fort Worth

Dear Ms. Honey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 611356 (ORR# W049892).

The City of Fort Worth (the "city") received a request for incident report number 160002988. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.1085 of the Government Code provides, in relevant part, the following:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

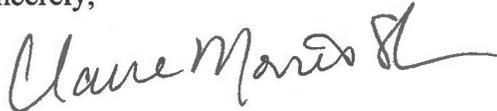

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.1085(c). For purposes of section 552.1085, "sensitive crime scene image" means "a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person's genitalia." *See id.* § 552.1085(a)(6). Upon review, we find none of the submitted photographs consist of sensitive crime scene images for the purposes of section 552.1085. Accordingly, the city may not withhold the submitted photographs under section 552.1085(c) of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
