

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 7, 2016

Mr. Arnold G. Polanco
City Attorney
City of Friendswood
910 South Friendswood Drive
Friendswood, Texas 77546

OR2016-07854

Dear Mr. Polanco:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 604794 (Friendswood Reference No. W005483-011516).

The Friendswood Police Department (the "department") received a request for information pertaining to a specified report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's procedural obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving an open records request: (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). In this instance, you state the department received the request for

information on January 15, 2016. We note this office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. January 18, 2016, Martin Luther King, Jr. Day, was a holiday. Accordingly, the department's fifteen-business-day deadline was February 8, 2016. However, the department did not submit a copy of the request for information until February 10, 2016. Consequently, we find the department failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). Section 552.108 is a discretionary exception to disclosure that protects a governmental body's interests and generally is not a compelling reason to withhold information. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). In failing to comply with section 552.301, the department has waived its claim under section 552.108. As you raise no further exceptions to disclosure, the submitted information must be released.¹

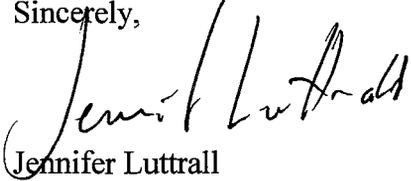

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
