ATTORNEY GENERAL OF TEXAS

Ms. Katheryne Ellison  
Assistant General Counsel  
Houston Independent School District  
4400 West 18th Street  
Houston, Texas 77092-8501

OR2016-07875

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 604665 (HISD Reference No. Sadler S011516).

The Houston Independent School District (the "district") received a request for information pertaining to the proposed termination of the requestor's client's employment contract. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.103 provides, in relevant part, as follows:

---

<sup>1</sup>Although you raise section 552.101 of the Government Code in conjunction with common-law privacy for the submitted information, you provide no arguments explaining how this doctrine is applicable to the information at issue. Therefore, we assume you no longer assert this doctrine. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). This office has long held that "litigation," for purposes of section 552.103, includes "contested cases" conducted in a quasi-judicial forum. *See* Open Records Decision Nos. 474 (1987), 368 (1983), 336 (1982), 301 (1982). In determining whether an administrative proceeding is conducted in a quasi-judicial forum, some of the factors this office considers are whether the administrative proceeding provides for discovery, evidence to be heard, factual questions to be resolved, the making of a record, and whether the proceeding is an adjudicative forum of first jurisdiction with appellate review of the resulting decision without a re-adjudication of fact questions. *See* Open Records Decision No. 588 (1991).

You state litigation related to the submitted information is pending because prior to the date the district received the instant request for information, the requestor's client appealed his proposed termination and requested the appointment of an independent hearing officer by the Texas Education Agency, to be conducted pursuant to chapter 21 of the Education Code. Section 21.256 of the Education Code provides that hearings requested under section 21.253 of the Education Code "shall be conducted in the same manner as a trial without a jury in a district court of [Texas]." Educ. Code § 21.256(e). Section 21.256 also specifically affords a teacher the right to be represented by a representative of the teacher's choice; the right to hear the evidence on which the charges are based; the right to cross-examine each adverse witness; and the right to present evidence. *See id.* § 21.256(c). Section 21.256(d) provides that the Texas Rules of Evidence apply at the hearing. *See id.* § 21.256(d). We also note,

in a chapter 21 hearing, the hearing examiner may issue subpoenas for the attendance of witnesses and the production of documents; an appeal of the proceedings to the commissioner of education is based only on the record of the local hearing; and in a judicial appeal of the commissioner's decision, the court must review the evidence pursuant to the substantial evidence rule. *Id.* §§ 21.255(a) (subpoena power of examiner), .301(c) (appeal based solely on local record), .307(e) (substantial evidence rule for judicial review). Therefore, based on the district's representations and our review, we determine a hearing under chapter 21 of the Education Code constitutes litigation for purposes of section 552.103. Consequently, we find litigation was pending when the district received the request for information. We also find the submitted information is related to the pending litigation. Accordingly, the district may withhold the submitted information under section 552.103 of the Government Code.

We note, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a). We note the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
