

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

April 11, 2016

Mr. Thomas A. Dyar  
Legal Counsel  
Grand Prairie Independent School District  
2602 South Belt Line Road  
Grand Prairie, Texas 75052

OR2016-07971

Dear Mr. Dyar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 612034.

The Grand Prairie Independent School District (the "district") received a request for information pertaining to a former district employee. You state the district has or will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a).

This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word "teacher" means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Further, in Open Records Decision No. 643, we determined an "administrator" for purposes of section 21.355 means a person who is required to, and does

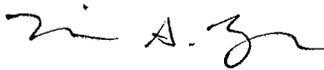

in fact, hold an administrator's certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.* We note section 21.355 does not apply to evaluations of teacher interns. *See id.* at 5 (concluding teacher interns, trainees, and educational aides are not "teachers" for the purposes of section 21.355). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You argue the submitted information consists of evaluations of the named former employee in his performance as a teacher. You state, and provide documentation showing, the former employee held a valid certification at the time of the evaluations. Based on your representations and our review, we conclude the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

his letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
