

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 14, 2016

Ms. Stephanie Berry
Assistant City Attorney
City of Denton
215 East McKinney
Denton, Texas 76201

OR2016-08391

Dear Ms. Berry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 612428.

The City of Denton (the "city") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996).

You state the city is part of an emergency communication district subject to section 772.318 of the Health and Safety Code. You state the telephone number and address at issue in Exhibit B consist of an originating telephone number and address furnished by a 9-1-1

service supplier. Accordingly, the city must withhold the originating telephone number and address furnished by a 9-1-1 service supplier in Exhibit B under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
