

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 15, 2016

Ms. Carolyn Caldwell
City Secretary
City of Lindale
105 Ballard Drive
Lindale, Texas 75771

OR2016-08525

Dear Ms. Caldwell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608106.

The City of Lindale (the "city") received a request for the employment and personnel file of a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See* Occ. Code §§ 151.001-168.202. Section 159.002 of the MPA provides, in relevant part, the following:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 at 3-4 (1988), 370 at 2 (1983), 343 at 1 (1982). Upon review, we find the information we have marked is confidential under the MPA. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA.¹

Section 552.101 of the Government Code also encompasses section 1324a of title 8 of the United States Code. Section 1324a governs I-9 forms and their related documents. This section provides an I-9 form and “any information contained in or appended to such form, may not be used for purposes other than for enforcement of this chapter” and for enforcement of other federal statutes governing crime and criminal investigations. *See* 8 U.S.C. § 1324a(b)(5); *see also* 8 C.F.R. § 274a.2(b)(4). Release of the submitted I-9 forms in this instance would be “for purposes other than enforcement” of the referenced federal statutes. Therefore, we conclude the submitted I-9 forms and attachments are confidential pursuant to section 1324a of title 8 of the United States Code. Accordingly, the city must withhold the I-9 forms and attachments we have marked under section 552.101 of the Government Code in conjunction with section 1324a of title 8 of the United States Code.²

In summary, the city must withhold (1) the information we have marked under section 552.101 of the Government Code in conjunction with the MPA; and (2) the I-9 forms and attachments we have marked under section 552.101 of the Government Code in conjunction with section 1324a of title 8 of the United States Code.

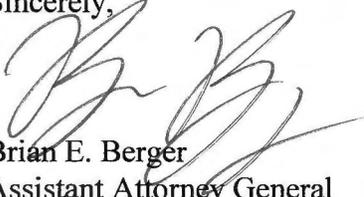

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹As our ruling is dispositive, we do not address your arguments to withhold this information.

²As our ruling is dispositive, we do not address your arguments to withhold this information.
