ATTORNEY GENERAL OF TEXAS

April 18, 2016

Mr. Brendan W. Guy
Assistant Criminal District Attorney
Victory County
205 North Bridge, Suite 301
Victoria, Texas 77901

OR2016-08635

Dear Mr. Guy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 606142.

The Victoria County Sheriff's Office (the "sheriff's office") received a request for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to delinquent conduct that occurred on or after September 1, 1997, are confidential under section 58.007. Fam. Code § 58.007(c). The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

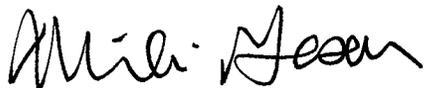

Id. § 58.007(c), (e), (j)(1). Section 58.007(c) is applicable to records of juvenile delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997. *See id.* § 51.03(a) (defining "delinquent conduct" for purposes of section 58.007). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. Accordingly, the submitted information is subject to section 58.007. However, the requestor is the parent of one of the listed juvenile offenders. Pursuant to section 58.007(e), the requestor has a right of access to inspect or copy her child's law enforcement records. *See id.* § 58.007(e). However, any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted under section 58.007(j)(1). *See id.* § 58.007(j)(1). Accordingly, the sheriff's office must withhold the identifying information of the other juvenile, which we

have marked, pursuant to section 552.101 in conjunction with section 58.007(j)(1). The remaining information must be released.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
