Ms. Victoria D. Honey  
Assistant City Attorney  
Office of the City Attorney  
The City of Fort Worth  
1000 Throckmorton Street, 3rd Floor  
Fort Worth, Texas 76102

OR2016-08886

Dear Ms. Honey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 606760 (FW PIR# W049061).

The City of Fort Worth (the "city") received a request for the addresses of all houses in the city with closed water accounts, to include the date of termination for each address. The city states it has released some information. The city states it has redacted information under section 552.136(c) of the Government Code.<sup>1</sup> The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Initially, we note the requestor only seeks addresses and the date of termination for each address. Accordingly, only the submitted addresses and dates of termination are responsive to the request. The city need not release nonresponsive information in response to this request, and this ruling will not address that information.

<sup>1</sup>Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses section 182.052 of the Utilities Code, which provides, in part, the following:

(a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer’s account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer’s volume or units of utility usage or amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

Util. Code § 182.052(a)-(b). “Personal information” under section 182.052(a) means an individual’s address, telephone number, or social security number, but does not include the individual’s name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Water service is included in the scope of utility services covered by section 182.052. Util. Code § 182.051(3). Section 182.054 of the Utilities Code provides six exceptions to the disclosure prohibition found in section 182.052. *See id.* § 182.054.

The city states the information it has marked under section 182.052 includes the personal information of customers who timely requested confidentiality. The city does not indicate, and it does not otherwise appear, the exceptions to confidentiality under section 182.054 apply in this instance. Accordingly, the city must withhold the responsive information it has marked under section 552.101 of the Government Code in conjunction with section 182.052(a). The remaining responsive information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
