

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 22, 2016

Ms. Leann M. Quinn
City Secretary
City of Cedar Park
450 Cypress Creek Road
Cedar Park, Texas 78613

OR2016-08982

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608071 (City Ref. No. 16-406).

The City of Cedar Park (the "city") received a request for all letters, reports, memoranda, or documents relating to the income, performance evaluations, complaints filed against and investigations of a named peace officer. You state the city will redact driver's license numbers under section 552.130(c) of the Government Code.¹ You claim some information is not subject to the Act. You also claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.117 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you state the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsections 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002. In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.102(a) of the Government Code excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy[.]"² Gov't Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Upon review, we find the city must withhold the information we marked under section 552.102(a) of the Government Code.

Section 552.117(a)(2) of the Government Code excepts from public disclosure a peace officer's home address and telephone number, social security number, emergency contact information, and family member information regardless of whether the peace officer made an election under section 552.024 of the Government Code. Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of

Criminal Procedure. Accordingly, the city must withhold the information you marked, as well as the additional information we marked, under section 552.117(a)(2) of the Government Code.³

In summary, the TCOLE identification number contained in the submitted information is not subject to the Act and need not be released to the requestor. The city must withhold the information we marked under section 552.102 of the Government Code in conjunction with common-law privacy. The city must withhold the information you marked, as well as the additional information we marked, under section 552.117(a)(2). The remaining information must be released.
