

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 26, 2016

Ms. Susan L. Brock
City Clerk
City of Taylor
400 Porter Street
Taylor, Texas 76574

OR2016-09314

Dear Ms. Brock:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607410.

The City of Taylor (the "city") received a request for a specified business list. You ask whether the city must release the submitted information. We have reviewed the submitted information.

We must address the city's procedural obligations under the Act. Pursuant to section 552.301(b) of the Government Code, a governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving a request. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). In this instance, the city received the request for information on January 26, 2016. The city does not inform us it was closed for business on any of the days at issue. Thus, the city's ten-and fifteen-business-day deadlines were February 9, 2016 and February 16, 2016, respectively. You did not, however, request a ruling from this office or submit the requested information until February 18, 2016. Further, as of the date of this letter, you have not stated the exceptions that apply.

Consequently, we find the city failed to comply with the procedural requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). In this instance, you do not raise any exceptions to disclosure. We therefore conclude the city must release the requested information pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
