ATTORNEY GENERAL OF TEXAS

April 28, 2016

Mr. Miguel Salinas  
Staff Attorney  
Brownsville Independent School District  
1900 Price Road  
Brownsville, Texas 78521

OR2016-09558

Dear Mr. Salinas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608068 (District# 8372).

The Brownsville Independent School District (the "district") received a request for information related to the termination of a named employee as well as the conduct of other specified employees.<sup>1</sup> You indicate the district will withhold some information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.<sup>2</sup> See Gov't Code §§ 552.026 (incorporating FERPA into the Act), .114 (excepting from disclosure "student records"); Open Records Decision No. 539 (1990) (determining the same analysis

---

<sup>1</sup>We note the governmental body sought clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

<sup>2</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

applies under section 552.114 of the Government Code and FERPA). You state some of the requested information does not exist.<sup>3</sup> You also state the district will release some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 21.355 of the Education Code, which provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355. In addition, the court has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted this section to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In that opinion, we concluded that a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* We also have determined that for purposes of section 21.355, “administrator” means a person who is required to and does in fact hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code and is performing the functions of an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You claim the submitted information is confidential under section 21.355 of the Education Code. However, the submitted information is a blank evaluation form. Upon review, we find the submitted information does not evaluate the performance of a particular teacher or administrator and is not subject to section 21.355. Therefore, the district may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy[.]” Gov’t Code § 552.102(a). We understand you to assert the privacy analysis under section 552.102(a) is the same as the common-law privacy test under section 552.101 of the Government Code. Common-law privacy protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public.

<sup>3</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

*Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). In *Hubert v. Harte-Hanks Texas Newspapers, Inc.*, 652 S.W.2d 546, 549-51 (Tex. App.—Austin 1983, writ ref'd n.r.e.), the court of appeals ruled the privacy test under section 552.102(a) is the same as the *Industrial Foundation* privacy test. However, the Texas Supreme Court expressly disagreed with *Hubert*'s interpretation of section 552.102(a), and held the privacy standard under section 552.102(a) differs from the *Industrial Foundation* test under section 552.101. See *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). The Texas Supreme Court also considered the applicability of section 552.102(a) and held it excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. See *id.* at 348. Upon review, we find the submitted information is not subject to section 552.102(a) of the Government Code. Accordingly, the district may not withhold any of the submitted information on that basis. As you raise no other exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
