ATTORNEY GENERAL OF TEXAS

April 28, 2016

Mr. J. Keith Gary  
Sheriff  
County of Grayson  
200 South Crockett Street  
Sherman, Texas 75090

OR2016-09614

Dear Mr. Gary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607897.

The Grayson County Sheriff's Office (the "sheriff's office") received a request for internal affairs files investigations to a named lieutenant. The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find the sheriff's office has failed to demonstrate any of the submitted information is highly

intimate or embarrassing and of no legitimate public interest and thus, none of it may be withheld under section 552.101 of the Government Code on that basis.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy[.]” Gov’t Code § 552.102(a). We understand the sheriff’s office to assert the privacy analysis under section 552.102(a) is the same as the common-law privacy test under section 552.101 of the Government Code, which is discussed above. *See Indus. Found.*, 540 S.W.2d at 685. In *Hubert v. Harte-Hanks Texas Newspapers, Inc.*, 652 S.W.2d 546, 549-51 (Tex. App.—Austin 1983, writ ref’d n.r.e.), the court of appeals ruled the privacy test under section 552.102(a) is the same as the *Industrial Foundation* privacy test. However, the Texas Supreme Court expressly disagreed with *Hubert’s* interpretation of section 552.102(a), and held the privacy standard under section 552.102(a) differs from the *Industrial Foundation* test under section 552.101. *See Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). The supreme court also considered the applicability of section 552.102(a) and held it excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *See id.* at 348. Upon review, we find the sheriff’s office has failed to demonstrate any of the submitted information is subject to section 552.102(a) of the Government Code and thus, none of it may be withheld on that basis. The sheriff’s office must release the submitted information.
