Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607609 (ID# W018368).

The City of Killeen (the "city") received a request for the inspection records and any code compliance and violation reports pertaining to a specified address. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 applies only to records

created by an agency, or a portion of an agency, whose primary function is to investigate crimes and enforce criminal laws. *See* Open Records Decision Nos. 493 (1988), 287 (1981). This section is generally not applicable to records created by an agency whose chief function is essentially regulatory in nature. *See* Open Records Decision No. 199 (1978). An agency that does not qualify as a law enforcement agency may, under limited circumstances, claim that section 552.108 protects records in its possession. *See, e.g.*, Attorney General Opinion MW-575 (1982); Open Records Decision Nos. 493, 272 (1981). If an administrative agency's investigation reveals possible criminal conduct that the administrative agency intends to report or has already reported to the appropriate law enforcement agency, section 552.108 will apply to information gathered by the administrative agency if its release would interfere with law enforcement. *See* Gov't Code § 552.108(a)(1), (b)(1); Attorney General Opinion MW-575; Open Records Decision Nos. 493, 372 at 4 (1983) (where incident involving allegedly criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information that relates to incident), 272.

We understand the submitted information pertains to code compliance violations under investigation by the city's Code Enforcement Department (the "department"). However, you have not demonstrated the department is a law enforcement agency for purposes of section 552.108, nor informed us if the information at issue has been forwarded to an appropriate law enforcement agency. Therefore, we find you have failed to demonstrate section 552.108(a)(1) is applicable to the submitted information, and it may not be withheld on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov't Code § 552.130. Accordingly, within the submitted photographs, the city must withhold all images of license plates under section 552.130. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
