Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 614653 (ORR# RHar3).

The Corpus Christi Police Department (the "department") received a request for information related to report number 1602230063. You state the department will release some of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 773.091 of the Health and Safety Code, which provides in part:

- (a) A communication between certified emergency medical services [{"EMS"}] personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(a)-(b), (g). The submitted information includes records made and maintained by EMS personnel. Upon review, we find section 773.091 is applicable to the information at issue, which you have marked. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the department must withhold the marked EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

Section 552.137 of the Government Code excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See Gov’t Code* § 552.137(a)-(c). The e-mail address at issue is not excluded by subsection (c). Therefore, the department must withhold the personal e-mail address you have marked under section 552.137 of the Government Code, unless the owner affirmatively consents to its public disclosure.

In summary, with the exception of the information subject to section 773.091(g), the department must withhold the marked EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. The department must withhold the personal e-mail address you marked under section 552.137 of the Government Code, unless the owner affirmatively consents to its public disclosure. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
