ATTORNEY GENERAL OF TEXAS

May 3, 2016

Ms. Tanya E. Pino  
Assistant County Attorney  
County of Montgomery  
501 North Thompson, Suite 300  
Conroe, Texas 77301

OR2016-10008

Dear Ms. Pino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608507 (County ORR Nos. 16PIA152 and 16PIA114).

The Montgomery County Sheriff's Office (the "sheriff's office") received two requests from different requestors for the personnel records of a named deputy of the sheriff's office. The sheriff's office claims some of the submitted information is not subject to the Act. Additionally, the sheriff's office claims the remaining information is excepted from disclosure under sections 552.101, 552.108, and 552.115 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Initially, the sheriff's office states the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002. In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the TCOLE's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we agree the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code.<sup>1</sup> Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note section 552.108 is generally not applicable to internal personnel records that are purely administrative in nature and that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002. no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, the sheriff's office states the remaining information relates to pending criminal prosecutions involving the named deputy. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law

enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>2</sup>

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
