City of Corpus Christi

OR2016-10127

Dear Ms. Alcorn-Reed:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 608585 (City File Number: 179).

The City of Corpus Christi (the "city") received a request for the personnel file of a named individual. You state you will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part, as follows:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has found, when a file is created as the result of a hospital stay, all the documents in the file relating to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 at 1 (1990). This office has also concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Upon review, we find the submitted information constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by a physician. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with the MPA.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
