ATTORNEY GENERAL OF TEXAS

May 5, 2016

Mr. Nicholas Toulet
Assistant City Attorney
City of Midland
P. O. Box 1152
Midland, Texas 79702-1152

OR2016-10214

Dear Mr. Toulet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 616159 (Midland ORR # 19280).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You state the city has released some of the requested information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided the subject of the information does not already know the informer's identity. *See Open Records Decision No. 208* at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." Open Records

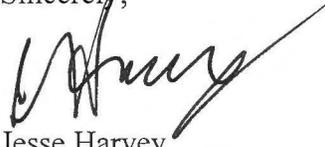

Decision No. 279 at 1-2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law*, § 2374, at 767 (J. McNaughton Rev. Ed. 1961)). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4 (1988). However, witnesses who provide information in the course of an investigation but do not make a report of the violation are not informants for the purposes of claiming the informer's privilege. The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990).

You state that the informant at issue reported an alleged violation of law to a law enforcement officer, who you explain has the authority to enforce the alleged violation at issue. Upon review, we conclude the city may withhold the information we have marked under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Jesse Harvey
