

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 9, 2016

Mr. M. Matthew Ribitzki
Deputy City Attorney
City of Burleson
141 West Renfro
Burleson, Texas 76028

OR2016-10551

Dear Mr. Ribitzki:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 609190 (Reference No. 16-0130).

The City of Burleson (the "city") received a request for information pertaining to a specified address during a specified time period.¹ The city states it will redact information under sections 552.130(c) and 552.147(b) of the Government Code and Open Records Decision No. 684 (2009).² The city claims portions of the submitted information are excepted from

¹We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *Id.* § 552.147(b). Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

We note the city seeks to withhold the dates of birth of public citizens. In Open Records Letter No. 2016-08169 (2016), we issued a previous determination authorizing the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. See Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). Accordingly, the city must withhold the dates of birth of public citizens in accordance with the previous determination issued in Open Records Letter No. 2016-08169.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. See Open Records Decision No. 455 (1987). Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the city failed to demonstrate the remaining information is highly intimate or embarrassing and of no legitimate public interest. Thus, the city may not withhold the remaining information under section 552.101 in conjunction with common-law privacy.

In summary, the city must withhold the dates of birth of public citizens in accordance with the previous determination issued in Open Records Letter No. 2016-08169. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. As no other exceptions to disclosure have been raised, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
