You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 615853 (PIR No. G002312).

The City of Georgetown (the "city") received a request for information pertaining to a specified case. You state the city released some information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The city asserts, and we agree, the submitted video recordings contain motor vehicle record information that is excepted from disclosure under section 552.130 of the Government Code. In this instance, the city states it does not possess the technological capability to redact information from video recordings. Thus, we agree the city must withhold the video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).
