

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 16, 2016

Mr. Zachary Noblitt
Assistant City Attorney
City of Dallas
1500 Marilla Street, Room 7DN
Dallas, Texas 75201

OR2016-11182

Dear Mr. Noblitt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 610112.

The City of Dallas (the "city") received a request for information pertaining to request for proposals number BQZ1607- Professional Traffic Counting Services. You claim the submitted information is excepted from disclosure under sections 552.104 and 552.111 of the Government Code. You also state release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified C. J. Hensch & Associates, Inc.; Quality Counts, Inc. ("QC"); and the Traffic Group, Inc. of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from QC. We have considered the submitted arguments and reviewed the submitted information.

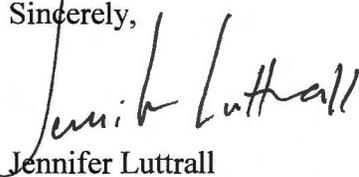

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage. *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). You represent the submitted information pertains to a competitive bidding situation. You inform us the proposals at issue are still

being evaluated and a final contract has not been executed. You argue release of the information at issue would undermine the contract negotiation process because until a final written contract is signed, negotiations with the selected bidder may fail, causing the city to select an alternate provider or issue a new request for proposals. After review of the information at issue and consideration of the arguments, we find the city has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the city may withhold the submitted information under section 552.104(a) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
