

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 17, 2016

Mr. Brandon S. Shelby
City Attorney
City of Sherman
P.O. Box 1106
Sherman, Texas 75091-1106

OR2016-11244

Dear Mr. Shelby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 616471 (ORR# 2323).

The City of Sherman (the "city") received a request for information related to a specified arrest. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an active investigation or prosecution. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning. The Statutory Warning has previously been provided to the arrestee. Because a copy of this

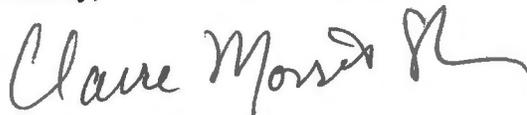

document has previously been released to the arrestee, we find you have not shown release of the document will interfere with the detection, investigation, or prosecution of crime, and it may not be withheld under section 552.108(a)(1). *See* Gov't Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the DIC-24 Statutory Warning and the basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Claire V. Morris Sloan

¹We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.
