Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 611385 (OGC# 168425).

The University of Texas at Austin (the "university") received a request for a specified internal affairs investigation. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 51.971 of the Education Code. Section 51.971 of the Education Code provides, in relevant part, the following:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(e)(1). Section 51.971 defines a compliance program as "a process to assess and ensure compliance by the officers and employees of an institution of higher

education with applicable laws, rules, regulations, and policies[.]” *Id.* § 51.971(a)(1). You state the university is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You state the information at issue pertains to an ongoing investigation undertaken by the university police department’s internal affairs division. You state the investigation was conducted in response to a complaint filed by the requestor against an officer of the university’s police department and was initiated in order to assess and ensure compliance with all applicable laws, rules, regulations, and policies. Based on your representations and our review, we agree the submitted information pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You also represent release of the information at this time would interfere with, and potentially compromise, the ongoing investigation. Accordingly, we conclude the university must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
