Mr. Mark E. Dempsey  
Assistant City Attorney  
City of Garland  
P.O. Box 469002

OR2016-11582

Dear Mr. Dempsey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 611031 (GCA 16-0149).

The Garland Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released some information to the requestor. You claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). The requestor is not a person listed under section 550.065(c). Additionally, pursuant to section 550.065(c-1) of the Transportation Code, the department informs us it has released the first five pages of the accident report redacted in accordance with section 550.065(f). *See id.* § 550.065(c-1), (f).

Thus, the submitted CR-3 accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code.

You state the remaining information is excepted from disclosure under section 552.108(a)(1) of the Government Code which excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an ongoing criminal investigation. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, you may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must withhold the submitted accident report pursuant to section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.
