

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 24, 2016

Mr. Jason Wall
Chief of Police
City of Whitewright
P.O. Box 966
Whitewright, Texas 75491

OR2016-11900

Dear Chief Wall:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 611376 (WW12016).

The Whitewright Police Department (the "department") received a request for information related to complaints against department officers during a specified time period. You indicate you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted one internal affairs investigation for our review. To the extent any additional responsive information existed and was maintained by the department when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a

governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). In this instance, the submitted information consists of an internal affairs investigation. Section 552.108 is generally not applicable to the records of an internal affairs investigation that is purely administrative in nature and that does not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you represent to this office, and the records indicate, that the incident at issue is the subject of a pending criminal investigation by the department. You assert release of the submitted information would interfere with the investigation or prosecution of crime. Based upon your representation and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
